

console. It is said to work better than non Xbox-licensed flash drives in the market and users can plug it into different Xbox consoles. Available in 8GB and 16GB capacities.

PORTABLE CHARGER

Veho Pebble portable battery pack

\$129, from authorised resellers

Power users will love this: a portable battery pack that can provide gadgets with up to 60 hours of battery life while on the move.

Originally manufactured for Veho's Muvi camcorders, the pack comes with adapters that make it compatible with most mobile phones, MP3 players and digital cameras in the market.
