**13 // CHOIX POWER FORT** The Choix Power Fort is a handy portable battery charger for days when you are constantly on the go, and comes with both mini-and micro USB cables that allow you to charge anything from smartphones to gaming devices and multimedia players.

**14 // V-MODA CROSSFADE LP HEADPHONES** Looking for a smokin' hot pair of headphones? The V-MODA Crossfade LP's looks are sure to please, with features such as 50mm dual-diaphragm HD drivers, mini-remote/mic cable and a hard exoskeleton carrying case.

**15 // SONY PLAYSTATION 3 MOVE** Recently announced at this year's E3, this awesome stick-like controller not only makes a cutting-edge addition to your stash of consoles, but translates your every movement onto screen as if you are in the game, real-time.

**16 // PEBBLE VCC-A007-PBP PORTABLE BATTERY CHARGER** Looking for an all-in-one portable battery pack? The tiny and aptly named Pebble VCC-A007-PBP can charge phones, and other popular gadgets like cameras for up to 60 hours of additional use.

**17 // CHOIX COMFORTER LAPDESK** Using a laptop can be an annoying experience - but the Choix Comforter Lapdesk might be a fix worth considering. Featuring an ergonomic design, it can be used wherever for all owners of 9- to 17-inch notebooks.
