**08 // DYSON AIR MULTIPLIER £199**

A bladeless fan – what will knighted billionaire design James Dyson think of next? The Dyson Air Multiplier has no blades; accelerating air over an airfoil-shaped ramp that channels its direction, giving you a continuous stream of air.

**09 // VEHO MUVI 'TURIN' MICRO-DV CAMCORDER \$209**

The Veho Muvi Micro-DV camcorder measures just 55mm high, and records 2MP video on a micro-SD card, with an internal rechargeable battery good for up to three hours. Now available in a limited white edition!

**10 // ASUS G51J NOTEBOOK \$3,098**

The G51J is the latest gaming powerhouse from ASUS, with stunning 3D performance powered by an Intel Core i7 processor and an NVIDIA GeForce GTX 260M graphics card with 1GB VRAM, backed up by surround sound from Altec Lansing.

**11 // ACER NEOTOUCH**

Fancy a 1GHz processor on your mobile phone? Acer's flagship mobile phone, the neoTouch, running on a Windows Mobile 6.5 platform will get you all hot and bothered.

**12 // MEMOREX MI2990 IPOD DOCK \$99**

Need an iPod dock that looks just great without compromising on the sound? Memorex just might have the thing for you with its foldable Mi2990 dock. Pack it up and bring it along for great music on the go.
