15 // VEHO PEBBLE IPAD SMARTSKIN iPad owners are going to love the Veho Pebble iPad Smartskin. The protective skin doubles up as a standby 600mAh battery pack, and comes with a neoprene pouch for extra protection.

16 // DELL STREAK Don't think your phone is big enough? The new Dell Streak combines the best features of a phone and tablet with its 5-inch display. A Snapdragon 1GHz processor runs the show, along with the Google Android 2.2 software and a bevy of Dell customized widgets.

17 // VEHO MIMI WIRELESS KEYBOARD & AIR MOUSE The Veho Mimi wireless keyboard and air mouse combo sure kicks convenience up a notch: the 80-key accessory is highly portable and is complemented with a built-in 3D mouse sensor.

18 // VIEWSONIC VIEWPAD 7 The pool of Android tablets has once more widened with the new ViewSonic Viewpad 7. This Android 2.2 tablet comes at a slim 375g, and is fully equipped with 3G phone functions and dual built-in stereo speakers.

19 // VEHO 360 BLUETOOTH SPEAKER The small Veho 360 Bluetooth speaker is great for those constantly on-the-go. The versatile gadget provides up to four hours of constant playback and port connectivity options for non-Bluetooth devices.
