How many of you travellers out there are strictly carry-on only? There is such an awesomeness to breeze out of immigration without having to wait for your luggage to emerge! I was practically the first out of immigration at Koh Samui because i had a seat at the front of the plane and no check in luggage! The fol

... meant to maximise your carry-on allowance yet be easy to tote around. It's fit in everything i need for my Koh Samui trip quite easily. I do like the buckles on the side that let you adjust the bag size and that it opens almost all the way so you can pull things out easily. Also, the bright blue colour is quite awesome! It currently retails for S\$89 at Winter

Times outlets in Vivocity
and Tampines Mall.
