Rimowa Topas Collections

For 60 years, the Topas remains Rimowa's most popular collection. Made from a sturdy yet lightweight aluminium-magnesium alloy, it offers excellent protection against temperature change and humidity. It also features the Multiwheel® system and comes with a retractable clip for attaching a small bag or briefcase. TSA certified combination locks ensure hassle-free custom checks, and adjustable dividers within the luggage offer versatile use. The Topas comes with a five-year guarantee.

Rimowa Salsa Deluxe Collections

Manufactured with high quality polycarbonate, this luxurious collection combines a brilliant appearance with high durability and functionality.

A specially constructed flex-divider-system optimally protects delicate clothing and keeps everything in order in the case interior. Even if the case is half filled, your belongings remain in the right place. The height-adjustable system allows the case to be adjusted to the volume of the contents. The patented Multiwheel system allows your luggage to be moved around with complete ease, no matter how heavy it is.

The luxury-class luggage provides the highest level of convenience even in terms of security. Keep your belongings safe with the zip mechanism, which uses a TSA combination lock. The Salsa Deluxe comes with a five-year guarantee.

Available in 4 colours, (a) Black (b) Oriental Red (c) Dark Grey and (d) Brown.
