Veho Pebble Smartstick

The Veho Pebble Smartstick with its rated 2200mAh capacity will power your mobile phone for a full charge while you are on-the-move. Its array of connection ports make sure that it works with most popular phones, while its compact stick form means it can stay in your pockets comfortably and takes up less space in bags.

Retail Price: **S\$59**

Veho SAEM Bluetooth Handsfree Car Kit

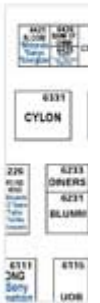

VR: Up to t

The Veho SAEM Bluetooth Handsfree car kit reveals its innovative edge when it powers up via motion detection as you step into your car, and switches off when you leave. It allows 32 hours of talk time, 66 days of standby time, and two years of standby in sleep mode. With its capacity to pair with eight devices, and two devices in use simultaneously, the Veho SEAM offers a ten meter pairing radius and automatic volume control that keeps calls clear while eliminating wind noise and echo.

Retail Price: **S\$99**
