## Introducing the New Balanzza MINI BZ400

UP \$60 **Now \$54**

We are proud to introduce the smallest and lightest digital luggage scale available in the market! Find out why Balanzza is the MUST HAVE tool for every traveller.

### Benefits and Features:

- \* No more excess baggage charges
- \* Easy to use
- \* Ergonomic design for easy grip
- \* Weight in lb or kg
- \* Compact and lightweight design
- \* Large digital display for easy reading
- \* Weighs up to 100lbs or 44kg
- \* The automatic hold feature allows you to lift the luggage, set it down on the floor and then read the weight.
- \* Strong strap to secure the luggage to the scale, NO DANGEROUS HOOKS
- \* Includes 2 CR2032 batteries
- \* Auto Shut-Off

### NO MORE BATHROOM SCALES!

The Balanzza Mini is incredibly light and compact so it won't impact on your weight allowance. Weighing just 100 gms and measuring a small 12 x 4 x 3.1 cm, it's perfect to pop into your suitcase to be there when you really need it.

Save money! No more overweight luggage fees!
