

Balanza TOO
Digital Luggage Scale

balanza 

Model:
BZ300

The Balanza TOO is a 3 in 1 travel accessory that complements our best seller digital luggage scale with a simple to use Timer Alarm and a convenient Flashlight. The Timer – Alarm allows the user to simply set up a countdown time for the alarm to sound either to wake up for an early flight or from a quick nap with no need to figure out how to use the Hotel Alarm Clock. The LED Flashlight is a great convenient tool in case you run into a blackout in your hotel or while traveling, or simply want to walk around your hotel room without disturbing your companion by turning the lights on.
